### Rogue Valley Equine Hospital Wellness Program

Rogue Valley Equine Hospital is continuing to offer our Equine Wellness Program to ensure that our client's horses are receiving the best preventative care. This program is designed to maintain your horses in peak condition minimizing the chance of unexpected illnesses by ensuring that your horses receive important preventative medicine and thorough physical exams at regular intervals.

#### Spring Visit (Late March/ Early April)

##### Farm Call

No farm call charge *if 8 or more horses* are participating.  
50% discount on farm call *if 4 to 7* are participating.  
Neighbors *within a 4 mile distance* can benefit from these discounts.

##### Wellness Exam

Wellness Exam  
\$35.00  
10% discount on vaccines if you have a Wellness Exam performed.

##### Dental Exam

Included in wellness exam

##### Eastern Encephalomyelitis/ Western Encephalomyelitis/ Tetanus Vaccination (EWT)

##### West Nile Vaccination

##### Flu/Rhinopneumonitis Vaccination

##### Potomac Horse Fever Vaccination

##### De-worming (optional)

Ivermectin administered with vaccines  
Paste de-wormers for Summer and early Fall will be left at the farm for administration by the owner at the appropriate times. (\*\*optional\*\*)

##### Dental Float

Dentistry will be performed on an "as needed" basis for each individual horse.

##### Sheath Cleaning

Sheath/ Penis cleaning may be performed at the same time as the dental float, as sedation is necessary for both procedures.

##### Coggins Testing

Optional

**We recognize that each horse is an individual. RVEH will work closely with you to ensure that your horse receives vaccines and de-wormers tailored to meet his/her individual needs. RVEH will also ensure that your horse's care continues on a regular basis by sending a reminder card when it is time for our Fall Wellness Program.**
